Lowe, Kelly 10:39 AM:

Hey David - are you planning on ending aldicarb around for branch review? I might pull a copy and send around to the exposure folks for a more detailed review since I don't plan on sending this to ExpoSAC. I'd still like someone to double check my calculations and write-up.

Nadrchal, David 10:41 AM:

Yeah, I was planning on putting up for branch once will finishes the dietary. I will put it up while the dietary is still being reviewed by DESAC hoping any changes will be minor.

Lowe, Kelly 10:41 AM:

Sounds good.
